

## COPYRIGHT AGREEMENT

All content, including but not limited to photographs, HTML code, graphics, videos, and text on this site, or any site owned and operated by DVPix International or 560084 B.C. Ltd, may not be reproduced anywhere, for any reason, in any media, be it digital, print, video or web without compensation or express written consent of DVPix International.

Our livelihood depends on fair compensation for the images created. Please note that all photographs are original artworks and are not in the public domain. It is a violation of copyright law to copy them to another computer, transmit, publish, reproduce, alter or use them for any purpose other than that which is intended: a review of our photography. The use of our images as the basis for another photographic concept or illustration is a violation of international copyright law. We vigorously protect my copyright interests.

By entering this site you agree to be bound by the terms of this agreement and affirm you have read this agreement in its entirety. Entrance to site is expressly on these conditions which embodies all of the understandings and obligations between the parties hereto.
